

## NUCLEAR POWER SOLUTIONS

**Manage and optimize your quality records using Documentum's Records Management and Retention Policy Services:**

- ◆ **Proactive Records Retention, Compliance and eDiscovery**
- ◆ **Design Basis Documentation Management**
- ◆ **Enterprise Search Capabilities with ISE™ Intelligent Search Engine**
- ◆ **Integration with Enterprise Asset Management (EAM)**
- ◆ **CAE System Integration**

“*We were looking for a content management platform that was flexible, highly scalable and provided maximum out-of-the-box functionality. EMC and Trinity demonstrated a true understanding of our industry and business challenges.*”

**Exelon Nuclear**

Visit **NIRMA Booth 201** for a copy of our new whitepaper:

***“From the Back Room to the Boardroom:  
The Emerging Impact of Compliance on eDiscovery”***

Take a solutions **demo** during NIRMA and receive a **genuine leather journal**
